DAY 1: HO CHI MINH CITY ARRIVAL - HALF DAY CU CHI TUNNELS TOUR (B/L/D)

Arrive at Tan Son Nhat International Airport, welcome by our guide and transfer to your hotel to leave luggage.

No early check in is guaranteed. ONLY BREAKFAST AT HOTEL

Ho Chi Minh City, formerly and still commonly known as Saigon, is the most populous city in Vietnam. Vibrating with energy and innovation, the city is the economic heart of Vietnam and the main hub of the southern region. As a cosmopolitan metropolis of the country, its dynamic cityscape combining the old and the new of Vietnam has made it one of the most attractive destinations for visitors.

After breakfast, meet our guide then we take a half-day tour to **Cu Chi Tunnels**, 75 km Northwest of downtown Ho Chi Minh City, which were once a major underground hideout and resistance base of Viet Cong forces during the two wars against the French and later on Americans. The tunnels, entirely hand-dug, formed a highly intricate network of interlinked multilevel passageways at times stretched as far as the Cambodian border and totaling over 120 km in length. Its complexity was beyond imagination containing meeting rooms, kitchens, wells, clinics, schools, depots, trenches and emergency exits all aimed for guerrilla warfare. The tunnels were deep and strong enough to withstand destructive bombings and self-contained enough to outlast prolonged sieges. Back to Ho Chi Minh City for checkin in and relax.

Evening our guide and our driver transfer you to have dinner at local restaurant.

Meal: Breakfast, Lunch, Dinner

DAY 2: FULLDAY MEKONG DELTA (MY THO) ((B/L/D)

Continue the tour with a paddleboat to cruise more canals before visiting households with traditional occupations of home-based coconut candy and rice-wine making. Switch back to a motorboat to go to a bee farm to enjoy fresh honey tea and fresh fruits. On the way back to My Tho, stop to visit **Vinh Trang Pagoda**, a prominent local Buddhist structure built in 1850 with a unique architectural mixture of Vietnamese, Roman, Chinese and Cambodian styles characterized by a highly ornate façade.

Arrive at the Cable car station at the foot of Ba Na Mountain. Enjoy the first leg Cable car, which achieves two Guinness World records as the longest non-stop cable car (5,042m) and the highest non-stop cable car (1,292m). The cable cars were built to feed the mountaintop of Ba Na Hills, but they're also the perfect way to get spectacular views of Danang and the surrounding forests.

Upon reaching Ba Na Hills, start the trip with a visit to **Golden Bridge** which is designed to connect the cable car station with the main gardens of this mountaintop. It is also to provide a scenic overlook and tourist attraction. We then leave the Le Jardin for the second cable car station to visit the top of mountain where there are remains of the old French villas found. Transfer back to Da Nang City for a short relaxing then continue to a lantern-making family in Hoian for 45 minutes

Colorful lanterns are an unmistakable part of Hoi An's visual identity as the craft of lantern making has been passed down to present town dwellers from generations of their ancestors. Spend half a day observing and learning how to make lanterns in the traditional way under the guidance of friendly and skilled hosts. You will practice all production stages including whittling bamboo into splints and bending them into a frame, cutting fabric to size and gluing it to the frame to complete a lantern. The meaningful souvenirs the host family will present you when saying goodbye are just what you made with your own hands.

Have dinner then transfer from Hoi An to Da Nang city by private car
